DECEMBER 2007 NEWSLETTER

WINTER DOLDRUMS: Not much going on at the moment to advise the membership about. The shotgun program continues to shoot, good weather permitting. As this is written, we have a good (?) covering of ice and presumably even the tube shooters are taking a few days off to sit beside the fire and reflect on events of the past year.

JANUARY MEETING: We will hold our next quarterly membership meeting at 7:30 PM on Monday evening, January 14 at the clubhouse. Your presence is requested to form a quorum so that club business may be conducted. This will be preceded by a Board of Directors meeting at 6:00 PM, which is also open to any of the membership who might have business for the Board or some level of curiosity or cabin fever and wish to attend.

END OF PLANK PROGRAM: All good things come to an end, and so it is with the plank program in support of the new clubhouse. If you still wish to contribute, the cut-off date is December 31st. Contact Jerry Maxfield at 620-663-8666. We would take this opportunity to express our gratitude to those who have contributed already, your help was appreciated.

SHOTGUN PROGRAM: Still shooting every 1st, 3rd and 5th Sundays 1:00 PM, and every Tuesday and Thursday afternoon from about 3:30 PM until light conditions fail or the supper dish is heard rattling. Weather permitting of course. They have ample opportunity for new folks to work off their mandatory 8-hour work commitments. Call Dennis Dester at 620-543-2746 or Ken Ewing at 620-665-7525 or Steve Seltzer at 620-663-6980 for more information or for work commitment assignments.

HPD RANGE CLOSURES: The south half of the range will be reserved for their exclusive use of our local po-leases from 8:00 AM to 1:00 PM on December 20.

TRADITIONAL HOLIDAY SAFETY RANT: If your holiday plans include some manner of shooting sports activity, PLEASE y'all be careful out there. Our fair and balanced news media is always looking for some poor soul to make an example of over the holiday season, and we would like for you to continue your membership for many years to come. Do keep your head up on a swivel, and take ownership and responsibility for the safety of yourself and those around you. Best wishes to you and yours, and we'll see you at the range next year.
