FUN SHOWS: Call ahead to confirm before traveling!

Nov 22 & 23, Wichita Coliseum. This one has variously been advertised as managed by RK Shows, 563-927-8176, or by US Weapons Collectors, 402-334-3389, so take your pick about which to call for confirmation.

MAN'S BEST FRIEND? Not so much.....

An Iowa hunter was recently shot by his dog, when the dog triggered the weapon while the hunter was crossing a fence, striking his "master" in the leg. The hunter survived.

Not so lucky was a Texas goose hunter, who laid his shotgun in the bed of his pickup truck, when his dog started jumping around and hit the trigger. The charge of pellets shot through the tailgate of the pickup, severing an artery in the leg of the hunter, who died on the way to the hospital.

The hunter safety instructors amongst us are doubtless all shaking their heads at this, so it bears repeating: Preventable accidents all. Safety first, or you might well be next! And it's always a good time to refresh your first aid training and include a basic first aid kit including adequate compress-type bandages anytime firearms activity takes place. Watch your muzzle discipline, and, to quote from The Wizard of Oz, watch "your little dog, too!" An extra dog biscuit now and then couldn't hurt as well.....

PARTING SHOT: "Isn't it a little ironic? We pick politicians by how they look on TV and Miss America on where she stands on the issues. Isn't that a little backwards?" Jay Leno, American comedian and television personality.
