ANNUAL MEETING AND ELECTION OF OFFICERS: This will be held at the clubhouse on Monday night, October 12 at 7:30 PM. The honor of your presence is requested in order to constitute a quorum and conduct business, and all committee chairmen are requested to attend to present short reports on the status of their programs for those attending. Frank Triffet has stated his intentions to run for Safety Officer, following Regan Tabor's decision to step down from that position. We also have at least one person considering a run for VP, but that is not definite just yet. All the other officers have agreed to stand for re-election; however, if you would consider running for any of the positions, please refer to the Bylaws for responsibilities of this position, or contact the person whose office you are considering. They're an accommodating lot, and would be happy to discuss what the job requires.

ACTION PISTOL PROGRAM: Contact Greg Dick at 620-669-9735 for information about their next match scheduled for Sunday October 4th.

SHOTGUN PROGRAM: Their Summer Schedule to coincide with Daylight Savings Time is now in effect: Trap and Skeet will shoot the 1st, 3rd & 5th Sundays 1 PM – 4 PM and every Tuesday and Thursday from 4 PM – 7 PM. 5-Stand will shoot the 3rd Sunday only from 1 PM – 4 PM. They will continue occasional "special" events on the 5th Sunday in lieu of regular. All scheduled shoots and events will be "weather permitting" and subject to cancel due to rain, snow or unsafe conditions like lightning or hail. To help out, or express your needs and concerns for this program, contact Steve Seltzer for 5-stand at 620-663-6980, Steve Smith for Skeet at 620-662-7595 or Mel Ralston for Trap at 620-665-0320. They do have work available for new member's work commitments.

SMALLBORE RIFLE SILHOUETTE: Their 2009 schedule has finished up and the 2010 schedule is being formulated and will be posted here and on the web site when it is finished up. They are also planning on some CMP-style Sporter Rimfire matches next year, although this is very preliminary at this time. Generally you would fire at 25 and 50-yards at a paper target with very generous scoring rings, using most any common 22-rifle with or without scope. Contact Chairman Craig Walle at 620-664-9565 for more information (duckhunter_67502@cox.net).

COWBOY ACTION PROGRAM: Their next match will be Saturday Oct 17. Contact Steve Kinser at 620-345-3151 for more info. Steve will have work available for new member work commitments. The Cowfolk are advised that Becker's Bunkhouse in Medora will resume fixing breakfast in June, starting at 7:00 AM. Steve Becker says it won't be very expensive.

HIGH POWER RIFLE PROGRAM: Their next matches will be held on Saturday October 10 and Sunday October 18. The October 10 match will be a special "USMC Toys for Tots" benefit match, fired "across-the-course" at 200/300/600-yard and followed by a 600-yard any rifle, any sight match. Cost of this match is \$25 or donation of a toy of good quality. The October 18th match will be a 100-yard reduced range match followed by the Annual High Power Picnic. Contact Greg Krebaum at 620-662-7515 for more information. They also continue practice nights on the 1st and 3rd Wednesday nights, March thru October, from 5 PM until sundown. The 1st Wednesday will be for 200-yard practice and is not expected to conflict with the south plinking range, but the 3rd Wednesday will be for practice at 300 and 600-yards and will require shut-down of the entire south half of the range. You must call Richard Reed to indicate you will show up for these at 620-755-2767. (peelsrick@hotmail.com). The high power committee has work available for new members.

MORE ERRATA ON HIGH POWER SCHEDULE: The DMR match previously scheduled for October 25 that was then rescheduled for November 21 has been yet again re-re-scheduled for Saturday October 17. Hopefully, that is all. You may contact Greg Krebaum at 620-662-7515 for more information, or to offer your expertise in event scheduling. Apologies in advance for any inconveniences.

HPD RANGE USE: Their next dates will be October 13, from 10 AM to 3 PM, and they will require the entire south half of the range for this function.

KSRA MID-RANGE MATCHES: On September 12, Shirley McGee set a new National scoped match rifle record both for Mid-Range and also for Senior shooter at the CKGC range of 200-18x. Yes, the hot-shot witch-doctor shooters were outshot by a **girl**. This also represents a new range record here, and is tremendous shooting, constituting near perfection. In the team matches on Sept 13, Shirley also set new range records for individual in a team match of 399-27X, also near perfection, and team match with husband Steve of 798-53x. John Myers also set a new range record of 800-53x in the individual match on September 12, which is expected to stand for quite some time. For more information contact CKGC member and KSRA high-power rifle chairman John Heger at 620-209-5466 (email lheger@sbcglobal.net).

PARTING SHOT: "Whereas a businessman will be out of business in short order if he delivers a poor product or mismanages his firm, politicians just graze in the public pasture, doling out other people's resources.....The bigger government gets, the more "special interests" we have grazing for personal gain." Star Parker, American author.
