SHOTGUN SCHEDULE
EFFECTIVE NOVEMBER 1, 2011
COMMITTEE CHAIRMAN: Mel Ralston, 620-665-0320.

WINTER SCHEDULE (coincides with Standard Time)

SKEET: 1st, 3rd and 5th Sundays 1 PM to 4 PM.

Weekdays suspended until Daylight Savings Time

TRAP: Will not operate during Winter Schedule except as interest warrants.

SUMMER SCHEDULE (coincides with Daylight Savings Time)

TRAP AND SKEET: Tuesdays & Thursdays 4 PM to 7 PM

1st, 3rd and 5th Sundays 1 PM to 4 PM.

SPECIAL RULES: All scheduled hours are "weather permitting," e.g., no shooting in rain or snow, no shooting in unsafe conditions – lightning, hail, high winds, etc.; no shooting in extreme cold conditions when temperature or wind chill factor is below 32 degrees F. No shooting when actual temperature is above 100 degrees F.

No. 7-1/2 or smaller shot only. Shotguns only. Only one shell at a time loaded on Station 8 of the Skeet ranges. Shoot at targets thrown on assigned range only (no cross firing at targets thrown on another range). Shoot off station pad only. No "back-up" or plinking type shooting.

No shooting between rounds or while machines are being serviced. Shooters should come prepared to assist with scoring, loading machines, policing trash, etc. Potable water is not available at the range. Outhouses are provided.

Please note that the south pistol/small bore range is off limits due to shot fall when skeet is being shot! The Cowboy range lanes are also off limits when trap is being shot.

ENTRY FEES: \$3 per round for all shooters. Age 16 and younger are \$2. Extra targets are 10 cents each if requested.

DOUBLES TRAP AND 5-STAND: Pending further notice, Doubles Trap suspended due to lack of interest, and 5-Stand suspended pending identification of a new co-chairman for this discipline.

DIRECTIONS: Physical location is 7908 North Lorraine. From Hwy. K-96 and 56th Avenue, go West on 56th to Lorraine Street (approx. 2 miles). Turn right on Lorraine and go approximately 1-3/4 miles North to the South range entrance. Enter gate and follow the range road East along the South fence line.

SPECIAL NOTE: During the month of August, Skeet may experience short delays of 30 minutes or so in starting times if High Power Rifle Match program runs more than one relay when shooting their reduced range matches. This will apply to Sunday matches only and will not apply to trap shoots.
